A CHILD HAS A
SPECIAL WAY OF
ADDING JOY TO
EVERY DAY

Photographing kids is like cooking with a recipe. We create an inviting and safe environment that a kid will feel comfortable in (our studio). Add equal parts anticipation and patience.

Throw out all the rules. Add the main ingredient (laughter). Have fun and be willing to look silly and totally not care :)

SENIOR PORTRAIT SESSIONS

Your smile, your personality, and your style.

Senior Portraits are meant to be a reflection of your own style, passions, and interests. My sessions are customized according to your unique vision. From location to outfits, we will work together to form a creative vision for your session. If you want your hair and make-up done, I can connect you to a personal stylist. If you simply want things to be completely relaxed and take a walk in a park, we can do it. If you want to be on your boat on the lake, no problem. Or, if you want some shots in the studio, we have a gorgeous space in the heart of the NewBo District in Cedar Rapids for a wonderful urban feel. Use your imagination. It's all up to you!
